

School Uniform

Introduction

Every student at Macquarie Grammar School must wear the officially approved school uniform with the mandatory blue blazer. In support of every student's welfare and safety while travelling to and from school, s/he will be clearly identified by the full school uniform. The Board of Directors sets the uniform and the PEO/Headmaster and staff are required to enforce it. The school seeks the co-operation of parents/guardians in maintaining a high standard of neatness and conformity with the school uniform, as well as in general appearance. Items must be official Macquarie Grammar School wear.

Wearing of Uniform between School and Home

MGS is proud of its image in the community and an important part of this pride is the full uniform. Therefore, all students will wear the full school uniform, including appropriate shoes, school shirts, vest or jackets according to the season. Non-regulation jackets and pants are not permitted. Appropriate shoes must always be worn to and from school and in the school, except when actively playing sport or practical P.E., where appropriate sports shoes are worn and permitted that support the ankle and foot. Sports shoes are only to be worn whilst playing sport. Years 7 to 10 wear the full school uniform including the blazer from Monday to Wednesday and Friday. The full sports uniform including the tracksuit is worn every Thursday and when a practical PDHPE lesson is held. Years 11 and 12 wear the full school uniform including the blazer from Monday to Friday. The school uniform is always worn to and from home.

Please make sure that you are in full school uniform or sports uniform at all the time during school hours from Monday to Friday. All the items are available online (except the school shoes),
