Dear Parents, Guardians, Homestay Hosts and Students,

### *Re: Update on Operations*

Today, the NSW Premier Gladys Berejiklian announced that schools are to continue to remain open and Macquarie Grammar School is operating as usual. Years 11 and 12 are undertaking their examinations and Years 7 to 10 and HSP classes have continued with their normal studies. Please be aware that the teachers and students have been following practices and procedures in reference to the coronavirus while on Campus.

Macquarie Grammar School is preparing itself for an online delivery of lessons if schools are asked to close, in future. This week all sport, PDHPE practical lessons and excursions have been suspended. The school timetable for Thursday has been altered commencing from this week. The change is minor with lessons one (1) to five (5) continuing but will be of one hour and fifteen minutes duration. Please refer to the designated period times below. Also, students will attend school every day in full school uniform while sport and practical PDHPE lessons have been suspended.
