Dear Parents and Guardians,

Re: Higher School Certificate Congratulations

Our students excelled themselves and performed well in the 2020 Higher School Certificate examinations. Congratulations to our Year 12 cohort and in particular our HSC Dux Gleb Kozlov who attained an outstanding ATAR of 98.6 and was placed in the list of distinguished achievers where he was awarded a Band 6/E4 in three courses (3) which includes Mathematics Extensions 1 and 2 and Physics. This is a wonderful achievement and well-deserved, as he has worked with enormous commitment and diligence throughout the year.

Our students performed brilliantly in Mathematics Extension 1 and 2 and Mathematics Advanced. With the average exam mean of 97 in Extension 1 and 93 in Extension 2. The results in languages were outstanding with French Beginners the leader followed by Chinese Beginners a solid performance from Chinese and Literature. It was pleasing to see a strong set of results in Business Studies, Chemistry and Visual Arts. A number of our courses performed above the state mean, which is a phenomenal achievement and supports our commitment to quality teaching taking place in the classroom.

Our School was not published in the Top 200 Schools List but our percentage performance of Band 6/E4 would equate to being amongst them at 152nd place as per the Better Education website. That's a phenomenal outcome. I am proud of our students' performance and thank the teachers for their good work and commitment. I wish the students all the very best for their future tertiary studies and sincerely thank the parents and guardians for their ongoing support of the school, and for contributing to these results.

I wish everyone a very Merry Christmas and a happy and prosperous New Year for 2021.

Yours sincerely,

Mr Rekouniotis

PEO/Headmaster
